

News from the President

Hello fellow fly fishers,

It's time for our October club meeting. Last month's program with Dakus Geeslin sharing his program about Guadalupe bass received very good reviews! This month's program will be "Fly Fishing the Texas Coast" by Rey Ramirez of South Texas. Rey is the South Regional Director of the Texas Council and a professor at UT Brownsville. We are coming into a great time of year for fishing the coast so come to the meeting and learn more about this fishing experience.

Our new outings chairman will be touring the UK and Portugal, but he has provided this update on outings:

"1. No member interest in the "semi-guided" Chris Johnson event at Broken Bow Oct 30-Nov 1.

2. I will be at Octoberfisch in Junction, TX along the Llano River on Oct 16-18.

Invitation to SGFF members attending Octoberfisch who want to stop-by for a beer or refreshment at my campsite. See Fredericksburg Fly Fishers website for more details on Octoberfisch.

3. I will be heading to Broken Bow with several SGFF members for a "self-guided" fishing trip from Oct 27-30. We're staying at the Hochatown Country Lodge and welcome any interested members to join us. E-mail me if you are interested – I'm happy to share the list so that folks can make arrangements to carpool. I'm excited to see how the fishery has changed since the Spring rains, on-line fishing reports have been excellent."

Next month our speaker will be Bruce Moring presenting "River Flows and a Healthy Fish Community". Bruce is a long time San Gabriel club member so you will want to come and support him.

Mike Reed and Randy Johnson continue to coordinate with the Boy Scouts, and we will be helping them at Bastrop in October again this year.

Don't forget to renew your Texas fishing license if you haven't already done so.

Annual dues are now "due" for all members for the 2015-2016 year so please bring your checkbook or cash to renew your membership (or you can mail it to our PO box). We really need to get those dues in right away so we know how much \$ we have to work with this next year.

I have had about a dozen folks express interest in a San Gabriel Fly Fishers logo shirt so if you are interested and have not responded, please do so at the meeting.

Don't forget to mark December 17 on your calendar for the Christmas party.

Hope to see you Thursday night!

Clint
